

Hi I'm Nick Evans. I am a software engineer with a background in recruiting. I specialize in full-stack web development utilizing Python, C#/.Net and JavaScript. I am looking to work for a company that is on the cutting-edge of technology with a focus on protecting the environment and giving back to the community. I would love an opportunity to work for your organization and am confident that my skills in web development paired with my talent acquisition background would make me a great fit!
